The Anglican Rosary

The Anglican-rosary was created as a tool for prayer. It is a prayer form which is a blending of the Marian (Roman Catholic) Rosary and the Orthodox Jesus Prayer Rope and encourages a wider range of prayers. It is a simple form of prayer available to all of God's children, and is a way of allowing God's Word to sink deeply into the soul and become prayer in us.

The rosary is made from 33 beads or knots, plus a cross or crucifix. The number 33 is a reminder of the Incarnation - the number of years Jesus lived among us,

The cross is a reminder of our identity as Christians, and of Jesus' call to take up our own crosses and follow him. It speaks of the lengths God is willing to go to reach us. It is our entry into the circle of prayer,

The knot or bead above the cross is the Invitatory. It is an invitation to trust God; to offer our worship, our praise, our whole life.

When the rosary is laid out in a circle, the four larger beads or knots represent the points of the cross. They are the Cruciform knots/beads. They also symbolize the four seasons - the sanctity of time - and the four seasons - the sanctity of creation. The circle is a symbol of God's unending love and of our unity as Christians.

The four sets of seven beads/knots are called Weeks. They symbolize our offering of our time and lives. The number 7 is traditionally associated with completion and perfection in Hebrew and Christian mysticism. This is not static perfection, but the ongoing work of God in all of us.

The Prayers

Any prayers may be used with the Anglican rosary. The examples in this pamphlet are suggestions only, and can be adapted. Scripture is the first resource for prayers. Hymns, writings from the mothers and fathers of the faith, prayers that rise from the yearning of your heart are all appropriate.

It may be helpful at first to write down your prayer, but It will soon be In your heart and memory. Once your prayer is formed, it is wise to pray it for several weeks before making any changes.

Begin on the Cross with a brief invocation— e.g. "In the Name of God: Father, Son and Holy Spirit." You may wish also to make the sign of the cross.

On the Invitatory you offer a prayer that summarizes your intention. Many find the Lord's Prayer to be helpful here.

The Cruciform knots/beads serve as places of rest and remembering your intention, and should emphasize the purpose of your prayer.

The Weeks are the yearning of your heart toward God. The Weeks prayer should be concise.

It is usual to pray three times around the circle of prayer, and then to return to the Invitatory. A repetition of the prayer you used on the Invitatory at the beginning is appropriate, or some expression of thanksgiving.

End on the Cross with an offering of praise and thanksgiving.

Give yourself a few moments, before and after, to be in silence with God. Rest, Listen. Don't rush into or away from your time of prayer. As you move on with your day, the prayer will go with you, and, in time, you may find that it continues to pray itself in you.
